

CHINLEY, BUXWORTH & BROWNSIDE

Do you need a helping hand?

Are you self-isolating or 'social distancing' because of Corona Virus or another reason?

Need shopping or supplies? Prescription collection?
Posting mail? Dog walking? Need a friendly chat on the phone?

WE HAVE PEOPLE WHO CAN HELP!

Your local community and neighbours all over Chinley, Buxworth and Brownside are organised and ready to help. This has been set up with Corona Virus in mind but you may have other reasons for being isolated and unable to get out.

Feel free to contact us whatever your reason.

Phone: 01663 750100 | **Text/call:** 07563 889326

Facebook Message: Chinley, Buxworth & Brownside
Community Association Facebook Page

This support network is being set up primarily for people who can't get help from family, friends or neighbours. We know that people will already be helping each other in many ways and encourage more of this kindness.

If you need urgent medical attention or advice, please use the normal routes.

This group do not monitor the phone 24 hours a day.

Please follow the latest advice from Public Health England.

Corona Virus is contagious. Please take every precaution to ensure you are only spreading kindness. Avoid physical contact (2m distance). Wash your hands regularly. Items can be arranged to be picked up from the doorstep.

If you would like to join the group of helpers, please contact us too!

Thank you to all our helpers, to the Community Association, Parish Council and local councillors for their kind support.

Please be aware that this is a volunteer led community response, not a public service, and we will do what we can to help.
